# Hudson Valley Garlic Festival™

2022

Dear Food Vendor:

The Kiwanis Club of Saugerties hopes that this letter finds you healthy and excited about the 2022 festival. It was good to see so many of you last year and we look forward to seeing a larger turnout this year. The changes that were made last year were well received by the Town Building and County Health departments and will be continued in 2022. While space between booths will still need to be maintained, we have addressed the layout so that we will have the same number of Food Booths in 2022 as we had pre-COVID-19. **The big changes this year are that we will be moving to be a zero-waste festival and expanding our WiFi coverage area to provide secure WiFi to all vendors and free public WiFi during the festival which our vendor is promising will be completed by this year's festival. This will require your cooperation as outlined on page 2 of the Rules and Regulations and a onetime WiFi fee for all vendors this year and then for each new vendor in the years following of \$50.00. To be a Zero Waste festival everyone will be required to use only certified compostable utensils and serving containers as outlined in page #3 of the Rules and Regulations.**

If you are interested in participating in this year's festival, please complete the attached application for the 2022 Hudson Valley Garlic Festival™. We will be having a two-day festival at Cantine Field in Saugerties, NY on October 1st & 2nd 2022. The admission fee will be \$10 per day with advanced purchase discounts available online and in local stores. Children under 12 are admitted free when accompanied by an adult.

The Kiwanis Club of Saugerties has worked hard to continue to make this a unique event that celebrates garlic and the harvest season. We thank you if you have been a vendor in the past and would like to remind you that your product must reflect or complement our garlic theme. We expect all vendors to make a conscious effort to have an attractively decorated booth which reflects the harvest season and complies with Town of Saugerties Building Department regulations that require all decorations be non-flammable. Safety is important; please make sure that your tent/canopy is securely anchored to prevent it from becoming a dangerous, airborne projectile as high winds do occur at Cantine Field during this time of year.

Applications that are incomplete will be returned. **Applications must include a #10 (9 ½ inch by 4 1/8 inch) self-addressed stamped envelope with 78¢ postage that we will use to send you your setup instructions, admission passes, and vehicle passes.**

Applications should be mailed to: Jack M. Wilsey  
45 John Street  
Saugerties, NY 12477

With garlic on my breath,

Jack M. Wilsey  
Kiwanis Club of Saugerties  
Food Vendor Chairman  
*Hudson Valley Garlic Festival™*

Please note the last page, which lists important regulations regarding cooking, tents and electric panels. Failure to comply with these Town of Saugerties regulations will result in dismissal from the festival grounds.

**VENDOR AGREES TO COMPLY WITH THE FOLLOWING  
RULES AND REGULATIONS DURING THE  
HUDSON VALLEY GARLIC FESTIVAL™, OCTOBER 1st & 2nd 2022**  
(page 1 of 4)

**ALCOHOLIC BEVERAGES:** Consumption of alcoholic beverages on premises during Festival hours is **strictly prohibited**. If VENDOR or their worker/volunteer violates the above rule, that VENDOR will be barred from participating in future Festivals.

**VENDOR FEE:**

1. VENDOR Fee: VENDOR understands that once accepted, the fee is non-refundable and that the Festival is held rain or shine.
2. The Fee entitles VENDOR to a 16' x 16' space at the Festival. The Festival Management will supply no tables, chairs, tents, etc.

**SETUP:**

1. Booth setup may begin at 12 noon on Friday, Sept. 30<sup>th</sup>, ending at 6:00 PM. VENDOR may also set up on Saturday, Oct. 1st from 6:00 AM to 9:00 AM, at which time all vehicles must be removed to the vendor parking area. Festival entrances will be locked to all vehicles at 8:30 AM sharp on both Saturday and Sunday.
2. There will be no booth setup on Sunday, October 2nd, restocking of inventory will be permitted (see #2 under HOURS). Security of the Festival grounds will be provided on both Friday and Saturday nights. Diligent efforts will be made to protect the vendor booths and their contents. However, **neither the Kiwanis Club of Saugerties nor the Town of Saugerties will be held responsible or liable for loss or damage to property.**
3. If you are bringing a tent or any other setup that requires that holes be put into the ground, please state such on the contract.
4. It is your responsibility to securely anchor your booth, as the autumn wind and weather can be severe at Cantine Field.

**RESTRICTIONS ON MERCHANDISE:**

**CRAFT VENDORS**

1. All items must have been handcrafted by you or by someone directly under your supervision. Reselling items made by others is not allowed.
2. Your crafts must relate to the theme of our festival—garlic. Other items that you've handcrafted may be sold, with approval of the Festival.
3. NO MEDICINAL OR FOOD ITEMS OF ANY KIND.

**BUSINESS OR PACKAGED FOOD VENDOR:**

1. Your products must reflect the garlic theme of our festival. Token representation will not be tolerated.
2. Food products must be packaged in such a way that the intention is for off-premise consumption (i.e. bottled and sealed jams, jellies, vinegar, and salsa). You must either grow some amount of the packaged food yourself, or you must buy the food locally (within your state or region). You may give away tiny samples of food without a N.Y.S. Health Permit. If you sell food for consumption directly on premise you must apply as a FOOD VENDOR. Please call for details.
3. NO MEDICINAL ITEMS, INCLUDING HEMP PRODUCTS, OF ANY KIND.

**FOOD VENDORS:**

You must have one line of food that includes flavoring with the significant use of fresh garlic. (Shaking garlic powder on hamburgers does not qualify that as a food flavored with the significant use of fresh garlic.) Festival Management encourages the use of fresh garlic in the preparation of all foods sold at the Festival.

**GARLIC GROWERS:**

You may sell garlic that has been grown by you on your premises and garlic braids and wreaths made by you or your employees. You may also sell any other fresh produce that you have grown on your premises, but 85% of what you sell must be fresh garlic.

**GARLIC GROWER PLUS:**

In addition to the above you may sell bottled products and other inventory relating to garlic. **You may not sell medicinal products, including hemp, of any kind.** Again, what you sell must be made from fresh garlic grown on your farm. Bottled products should not include drinks intended to be consumed during the festival, because that encroaches on the Food Vendors' territory.

**HOURS:**

1. The Festival gates open to the public at 10 AM on Saturday and Sunday and close at 6:00 PM on Saturday and 5:00 PM on Sunday. The booth exhibit must be in order by 9:30 AM on both Saturday and Sunday. Vendor may not break down their booth prior to 5:30 PM on Sunday, October 2, 2022
2. If Vendor wishes to remove inventory/equipment from booth on Saturday evening, he/she may do so after 6:30 PM and up to 8:00 PM. The booth must be restocked and vehicles removed by 9:30 AM on Sunday, October 2, 2022.
3. Vendor will be open for business from 10:00 AM to 6:00 PM (Saturday) and 10:00 AM to 5:00 PM (Sunday) regardless of the weather. The FESTIVAL MANAGEMENT must approve any deviation from posted hours.
4. Vehicles are not permitted in the festival's public areas between the hours of 9:30 AM and 6:30 PM on Saturday and 9:30 AM and 5:30 PM on Sunday.

(page 2 of 4)

**VENDOR PASSES**

2. If additional passes are required to operate concession, please specify the circumstances.
3. Vendor passes are non-transferable. Anyone caught transferring his/her pass to anyone else will have their pass revoked permanently and may be barred from the Festival grounds.

5. All vehicles parked behind the vendors booth or in the designated parking areas must have a vendor parking permit attached to the back of their rear-view mirror.

**DECORATIONS AND HOUSEKEEPING:**

1. The colors used in decorating for the Hudson Valley Garlic Festival™ will be the colors of Fall, i.e. rust, orange, purple and lavender. Rustic touches such as flowers are encouraged. This is a guideline; you may use things that harmonize with those colors, the season, and your product(s). **No dried vegetation or flammable decorations are allowed in or within 3 feet of your booth per Town of Saugerties Building Department regulations.**
2. Table displays must be covered and decorative.
3. All booths must have their booth number prominently displayed at least 6' high on the front right corner of their booth set-up throughout the festival hours. See last page for details.
4. In 2020, Ulster County passed a Zero Waste Resolution. This year the Hudson Valley Garlic Festival has set a goal to eliminate 90% of refuse that is sent to the landfill. Housekeeping of the exhibit areas and its immediate vicinity will be the responsibility of the vendor, who will be assisted by a volunteer staff who are trained in the separation and removal of the various materials. This will be critical on Saturday night, so that we can clean the grounds for Sunday.
  - a. Cardboard boxes that originate from your booth must be flattened, stacked and tied each night and placed neatly in a pile in front of your booth for collection.
  - b. Food Waste and other compostable items must be placed in the receptacles lined with compostable bags and marked "FOOD WASTE" Your booth will be serviced throughout the event by volunteers. The goal is not have food waste collect at the booth.
  - c. By removing the food waste, there will be a significant reduction to the refuse. Refuse must be bagged and tied each night & placed in front of your booth for removal at the end of the day by the volunteers.
  - d. Recycleables will be collected by the volunteers on an as needed basis.
  - e. At the end of the Festival, your area must be left as you found it – pristine and clean – with all refuse bagged or tied for easy removal. Note that extra garbage bags are located under the garbage cans.

<b>HVGF – 2022 / MANAGING WASTE</b>
-------------------------------------

In 2020 Ulster County passed a Zero Waste Resolution and a Food Scrap Reduction Law. New York State enacted the Plastic Bag ban and Styrofoam ban, in addition to a statewide Food Scrap Recovery and Reduction Law.

The 2022 Hudson Valley Garlic Festival (HVGF) has set a goal to eliminate 90% of the refuse that is sent to the landfill. To accomplish this goal, the HVGF is working with Greenway Environmental Services who has experience in designing and implementing Zero Waste Systems.

HVGF vendors will be required to bring only compostable disposables to the festival. Greenway is compiling a lists of brands and items that are acceptable and outlets where they can be purchased. There is a lot of confusion about the acceptability of some items that are advertised as being “compostable”, when in fact they are plant-based materials that are blended with petroleum-based materials.

Vendors will be instructed on how to separate the materials generated from their booths

- food waste including the compostable disposables
- corrugated cardboard
- cans and bottles
- trash

With a team of volunteers, the HVGF will increase the collection service of the separated items on a regular schedule.

A list of acceptable compostable disposables will be posted on the website: [www.hvgf.org](http://www.hvgf.org)

<b>NOTES ABOUT COMPOSTABLE MATERIALS</b>

- |   |
|---|
| <ul style="list-style-type: none"><li>• Products with 100% PLA (poly lactic acid) <b><u>are acceptable</u></b></li><li>• Products with the #7 inside the triangle with PLA underneath <b><u>are acceptable</u></b></li><li>• Untreated paper plates and cups, (sometimes coated with PLA) <b><u>are acceptable</u></b></li><li>• Products that combine PLA with polyester, or PLA with polypropylene, <b><u>are NOT acceptable</u></b></li><li>• Cornstarch mixed with polyester are <b><u>NOT acceptable</u></b>.</li><li>• BPI certified <b><u>does NOT</u></b> ensure that the products can be safely composted</li><li>• In fact, “Biodegradable” just means that materials break down over time, <b><u>NOT the same as composting</u></b>.</li><li>• Green Washing has become very sophisticated and not always easy to identify. We will make consumers aware of the “bad actors”</li></ul> |
|---|

Material that is well vetted and is correctly composted produces an end product that has a valuable role in our local landscapes. The highest uses for food waste compost is to make a filter medium that cleans water and to reliability return the fertility to our soils.

Please continue to check the Hudson Valley Garlic Festival website ([www.hvgf.org](http://www.hvgf.org) ) for updates about the best materials to order for your festival outreach. And do not hesitate to contact Greenway at 845-656-6071 with any questions or concerns.

Thank you for participating in the demonstration for our Zero Waste Festival. We are proud to work together for this very worthy goal.
